

AMPO Freight Survey: Basic Results

The survey was distributed on March 10, 2003 to all 340 MPOs, and received 136 responses (40%) from MPOs across the country, including organizations that employ one person to one with over one hundred and thirty employees (the mean staff size was 15 and the median was 6). Below is a summary of the answers to each of the survey questions. The survey also gathered additional freight needs and additional comments.

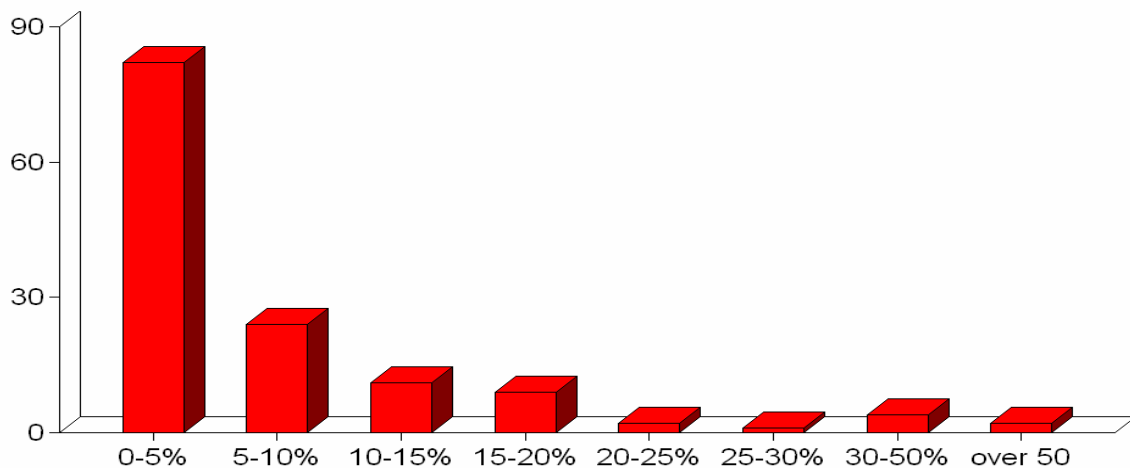

Does your MPO have one or more staff people dedicated to freight?

(135 Responses)

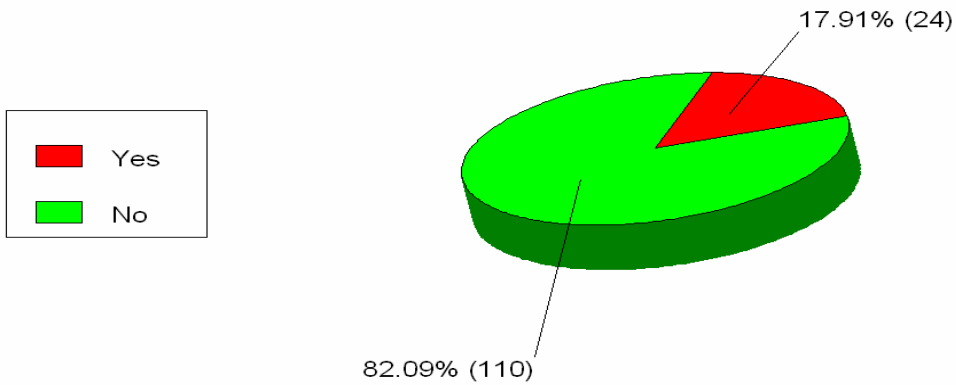

Approximately what percentage of your staff's time is spent on freight?

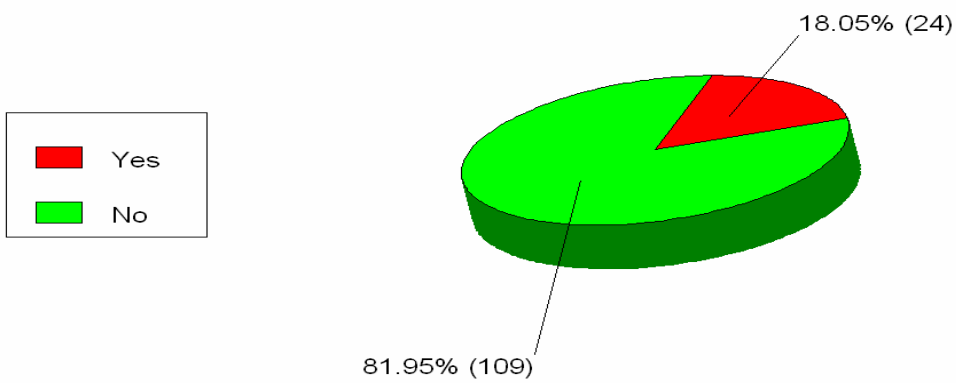

(135 responses)

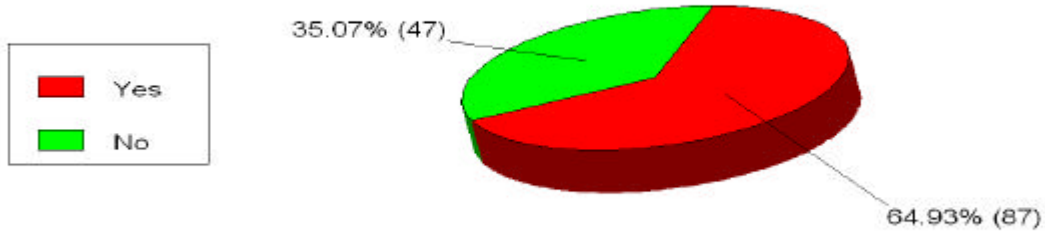

Does your MPO have an institutionalized freight advisory committee?
(134 Responses)

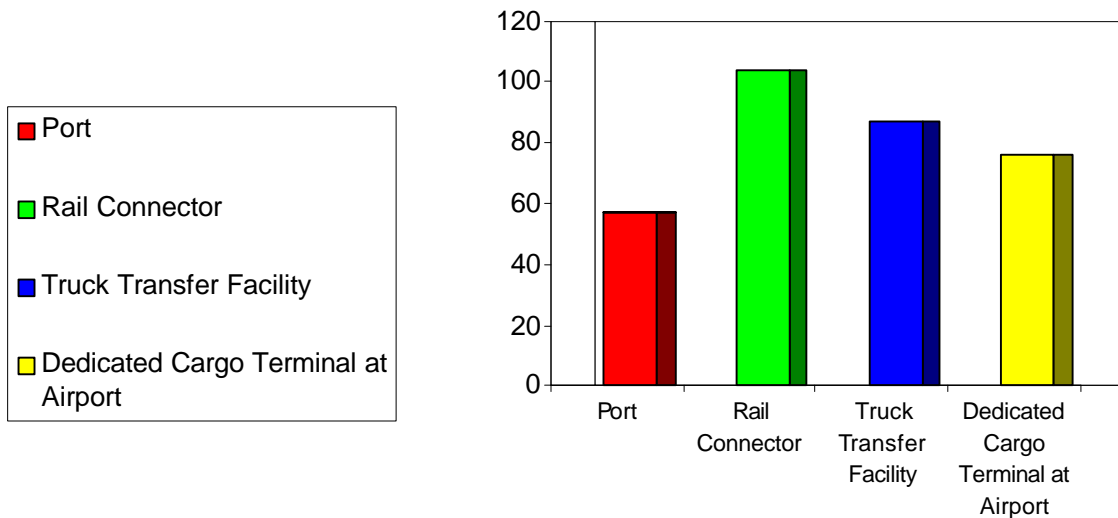

Do freight interests have voting representation on your MPO policy board?
(133 Responses)

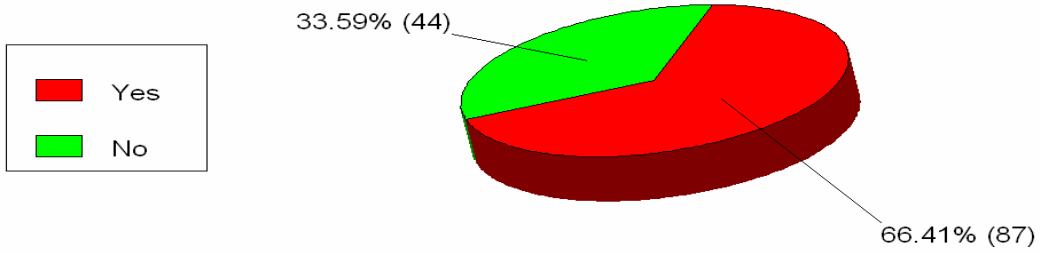

Does your MPO coordinate with ports, private rail companies, or trucking companies on freight projects?
(134 Responses)

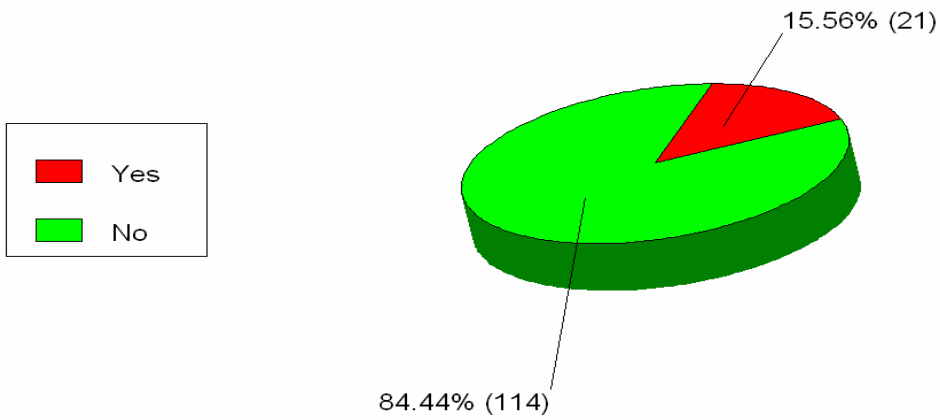

Which of the following do you have within your MPO's jurisdictional boundaries (or surrounding area)?
(324 Responses)

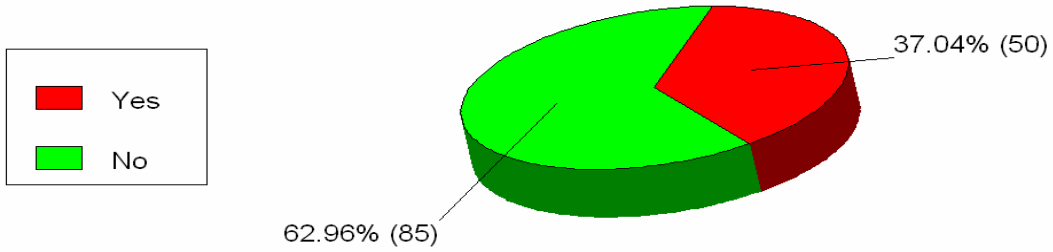

Are there any NHS "intermodal connector roads" within your MPO's boundaries?
(131 Responses)

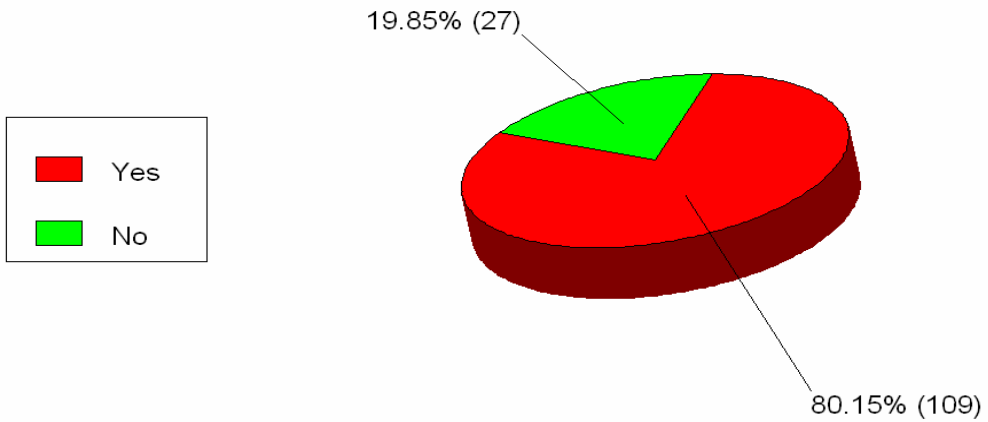

Does your MPO have a priority list of freight/non-passenger projects?
(135 Responses)

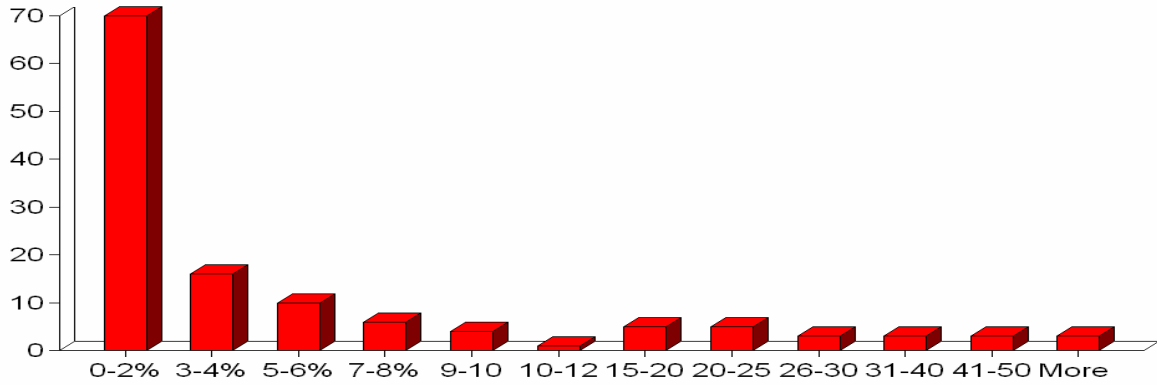

Are freight/non-passenger projects included in your TIP?
(135 Responses)

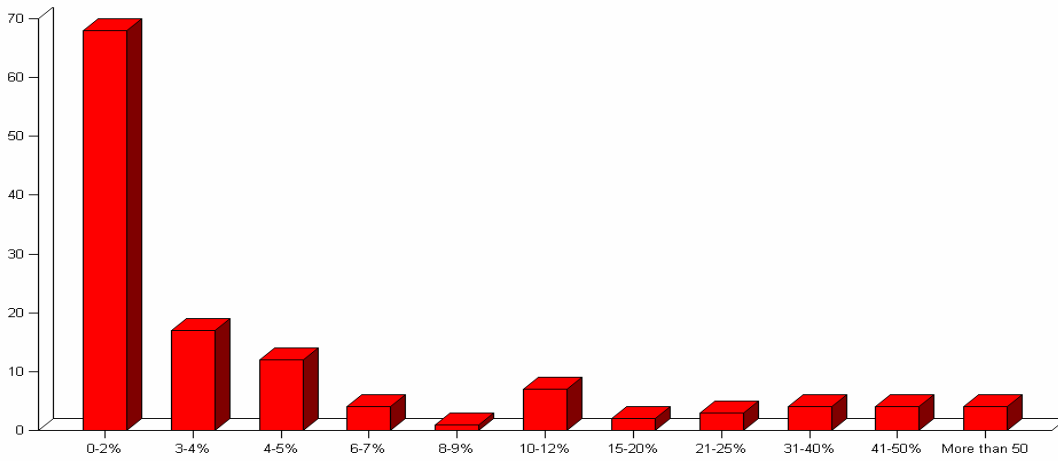

Are freight/non-passenger goals, objectives or strategies included in your LRP?
(136 Responses)

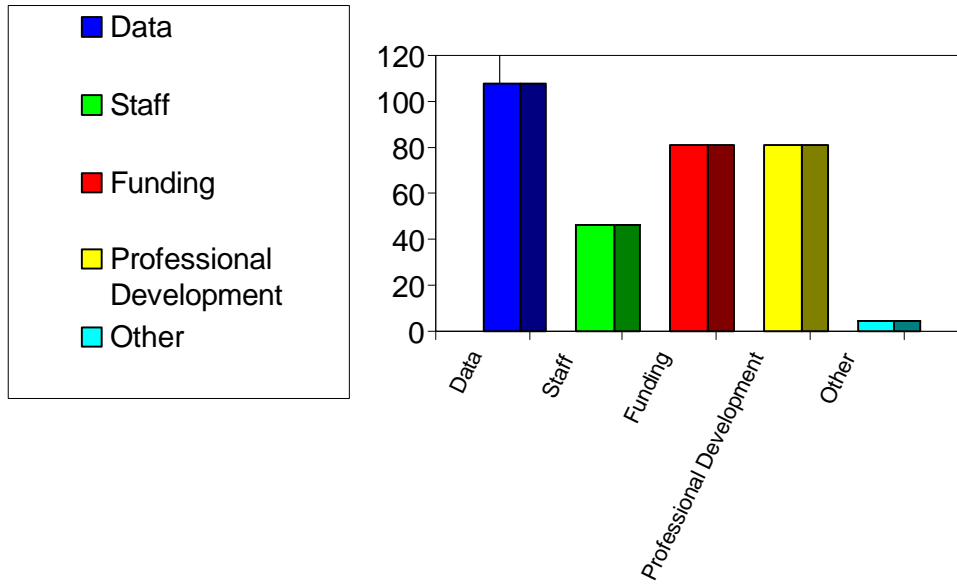

What percentage of your projects are freight related (based on number of projects)?
(129 Responses)

What percentage of your project funding goes to freight projects (based on dollar value of projects)?
(126 Responses)

Does your MPO have a need for any of the following freight resources?
(320 Responses)

Respondents:

| MPO | City | State |
|--|---------------------------------|--------------|
| AMATS - Anchorage Metropolitan Area Transportation Solutions | Anchorage | AK |
| Birmingham | Birmingham | AL |
| Metroplan | Little Rock | AR |
