TITLE XII—TRANSPORTATION AND HOUSING
AND URBAN DEVELOPMENT, AND RELATED
AGENCIES
DEPARTMENT OF TRANSPORTATION
Office of the Secretary
SUPPLEMENTAL DISCRETIONARY GRANTS FOR A
NATIONAL SURFACE TRANSPORTATION SYSTEM
For an additional amount for capital investments in
surface transportation infrastructure, $1,500,000,000, to
remain available through September 30, 2011: Provided,
That the Secretary of Transportation shall distribute
funds provided under this heading as discretionary grants
to be awarded to State and local governments or transit
agencies on a competitive basis for projects that will have
a significant impact on the Nation, a metropolitan area,
or a region: Provided further, That projects eligible for
funding provided under this heading shall include, but not
be limited to, highway or bridge projects eligible under
title 23, United States Code, including interstate rehabili-
tation, improvements to the rural collector road system,
the reconstruction of overpasses and interchanges, bridge
replacements, seismic retrofit projects for bridges, and
road realignments; public transportation projects eligible
under chapter 53 of title 49, United States Code, includ-
ing investments in projects participating in the New Starts
or Small Starts programs that will expedite the completion of those projects and their entry into revenue service; passenger and freight rail transportation projects; and port infrastructure investments, including projects that connect ports to other modes of transportation and improve the efficiency of freight movement: Provided further, That of the amount made available under this paragraph, the Secretary may use an amount not to exceed $200,000,000 for the purpose of paying the subsidy and administrative costs of projects eligible for federal credit assistance under chapter 6 of title 23, United States Code, if the Secretary finds that such use of the funds would advance the purposes of this paragraph: Provided further, That in distributing funds provided under this heading, the Secretary shall take such measures so as to ensure an equitable geographic distribution of funds and an appropriate balance in addressing the needs of urban and rural communities: Provided further, That a grant funded under this heading shall be not less than $20,000,000 and not greater than $300,000,000: Provided further, That the Secretary may waive the minimum grant size cited in the preceding proviso for the purpose of funding significant projects in smaller cities, regions, or States: Provided further, That not more than 20 percent of the funds made available under this paragraph may be awarded to projects in a sin-
gle State: *Provided further,* That the Federal share of the
 costs for which an expenditure is made under this heading
 may be up to 100 percent: *Provided further,* That the Sec-
 retary shall give priority to projects that require a con-
 tribution of Federal funds in order to complete an overall
 financing package, and to projects that are expected to
 be completed within 3 years of enactment of this Act: *Pro-
 vided further,* That the Secretary shall publish criteria on
 which to base the competition for any grants awarded
 under this heading not later than 90 days after enactment
 of this Act: *Provided further,* That the Secretary shall re-
 quire applications for funding provided under this heading
 to be submitted not later than 180 days after the publica-
 tion of such criteria, and announce all projects selected
 to be funded from such funds not later than 1 year after
 enactment of this Act: *Provided further,* That projects con-
 ducted using funds provided under this heading must com-
 ply with the requirements of subchapter IV of chapter 31
 of title 40, United States Code: *Provided further,* That the
 Secretary may retain up to $1,500,000 of the funds pro-
 vided under this heading, and may transfer portions of
 those funds to the Administrators of the Federal Highway
 Administration, the Federal Transit Administration, the
 Federal Railroad Administration and the Maritime Ad-
ministration, to fund the award and oversight of grants
made under this heading.

FEDERAL AVIATION ADMINISTRATION

SUPPLEMENTAL FUNDING FOR FACILITIES AND
EQUIPMENT

For an additional amount for necessary investments
in Federal Aviation Administration infrastructure,
$200,000,000, to remain available through September 30,
2010: Provided, That funding provided under this heading
shall be used to make improvements to power systems, air
route traffic control centers, air traffic control towers, ter-
tinal radar approach control facilities, and navigation and
landing equipment: Provided further, That priority be
given to such projects or activities that will be completed
within 2 years of enactment of this Act: Provided further,
That amounts made available under this heading may be
provided through grants in addition to the other instru-
ments authorized under section 106(l)(6) of title 49,
United States Code: Provided further, That the Federal
share of the costs for which an expenditure is made under
this heading shall be 100 percent: Provided further, That
amounts provided under this heading may be used for ex-
penses the agency incurs in administering this program:
Provided further, That not more than 60 days after enact-
ment of this Act, the Administrator shall establish a proc-
ess for applying, reviewing and awarding grants and cooperative and other transaction agreements, including the form and content of an application, and requirements for the maintenance of records that are necessary to facilitate an effective audit of the use of the funding provided: Provided further, That section 50101 of title 49, United States Code, shall apply to funds provided under this heading.

GRANTS-IN-AID FOR AIRPORTS

For an additional amount for “Grants-In-Aid for Airports”, to enable the Secretary of Transportation to make grants for discretionary projects as authorized by subchapter 1 of chapter 471 and subchapter 1 of chapter 475 of title 49, United States Code, and for the procurement, installation and commissioning of runway incursion prevention devices and systems at airports of such title, $1,100,000,000, to remain available through September 30, 2010: Provided, That such funds shall not be subject to apportionment formulas, special apportionment categories, or minimum percentages under chapter 471: Provided further, That the Secretary shall distribute funds provided under this heading as discretionary grants to airports, with priority given to those projects that demonstrate to his satisfaction their ability to be completed within 2 years of enactment of this Act, and serve to supplement and not supplant planned expenditures from air-
port-generated revenues or from other State and local sources on such activities: *Provided further,* That the Secretary shall award grants totaling not less than 50 percent of the funds made available under this heading within 120 days of enactment of this Act, and award grants for the remaining amounts not later than 1 year after enactment of this Act: *Provided further,* That the Federal share payable of the costs for which a grant is made under this heading shall be 100 percent: *Provided further,* That the amount made available under this heading shall not be subject to any limitation on obligations for the Grants-in-Aid for Airports program set forth in any Act: *Provided further,* That the Administrator of the Federal Aviation Administration may retain up to 0.2 percent of the funds provided under this heading to fund the award and oversight by the Administrator of grants made under this heading.

**FEDERAL HIGHWAY ADMINISTRATION**

**HIGHWAY INFRASTRUCTURE INVESTMENT**

For an additional amount for restoration, repair, construction and other activities eligible under paragraph (b) of section 133 of title 23, United States Code, and for passenger and freight rail transportation and port infrastructure projects eligible for assistance under subsection 601(a)(8) of such title, $27,500,000,000, to remain avail-
able through September 30, 2010: Provided, That, after making the set-asides required under this heading, 50 percent of the funds made available under this heading shall be apportioned to States using the formula set forth in section 104(b)(3) of title 23, United States Code, and the remaining funds shall be apportioned to States in the same ratio as the obligation limitation for fiscal year 2008 was distributed among the States in accordance with the formula specified in section 120(a)(6) of division K of Public Law 110–161: Provided further, That funds made available under this heading shall be apportioned not later than 21 days after the date of enactment of this Act: Provided further, That in selecting projects to be carried out with funds apportioned under this heading, priority shall be given to projects that are projected for completion within a 3-year time frame, and are located in economically distressed areas as defined by section 301 of the Public Works and Economic Development Act of 1965, as amended (42 U.S.C. 3161): Provided further, That 120 days following the date of such apportionment, the Secretary of Transportation shall withdraw from each State an amount equal to 50 percent of the funds awarded to that State (excluding funds suballocated within the State) less the amount of funding obligated (excluding funds suballocated within the State), and the Secretary shall redis-
tribute such amounts to other States that have had no funds withdrawn under this proviso in the manner described in section 120(c) of division K of Public Law 110–161: Provided further, That 1 year following the date of such apportionment, the Secretary shall withdraw from each recipient of funds apportioned under this heading any unobligated funds, and the Secretary shall redistribute such amounts to States that have had no funds withdrawn under this proviso (excluding funds suballocated within the State) in the manner described in section 120(c) of division K of Public Law 110–161: Provided further, That at the request of a State, the Secretary of Transportation may provide an extension of such 1-year period only to the extent that he feels satisfied that the State has encountered extreme conditions that create an unworkable bidding environment or other extenuating circumstances: Provided further, That before granting such an extension, the Secretary shall send a letter to the House and Senate Committees on Appropriations that provides a thorough justification for the extension: Provided further, That 3 percent of the funds apportioned to a State under this heading shall be set aside for the purposes described in subsection 133(d)(2) of title 23, United States Code (without regard to the comparison to fiscal year 2005): Provided further, That 30 percent of the funds
apportioned to a State under this heading shall be suballo-
cated within the State in the manner and for the purposes
described in the first sentence of subsection 133(d)(3)(A),
in subsection 133(d)(3)(B), and in subsection
133(d)(3)(D): Provided further, That such suballocation
shall be conducted in every State as defined by section
101(a)(32) of title 23, United States Code: Provided fur-
ther, That funds suballocated within a State to urbanized
areas and other areas shall not be subject to the redis-
tribution of amounts required 120 days following the date
of apportionment of funds provided under this heading:
Provided further, That of the funds provided under this
heading, $105,000,000 shall be for the Puerto Rico high-
way program authorized under section 165 of title 23,
United States Code, and $45,000,000 shall be for the ter-
ritorial highway program authorized under section 215 of
title 23, United States Code: Provided further, That of the
funds provided under this heading, $60,000,000 shall be
for capital expenditures eligible under section 147 of title
23, United States Code (without regard to subsection(d)):
Provided further, That the Secretary of Transportation
shall distribute such $60,000,000 as competitive discre-
 tionary grants to States, with priority given to those
projects that demonstrate to his satisfaction their ability
to be completed within 2 years of enactment of this Act:
Provided further, That of the funds provided under this heading, $550,000,000 shall be for investments in transportation at Indian reservations and Federal lands: Provided further, That of the funds identified in the preceding proviso, $310,000,000 shall be for the Indian Reservation Roads program, $170,000,000 shall be for the Park Roads and Parkways program, $60,000,000 shall be for the Forest Highway Program, and $10,000,000 shall be for the Refuge Roads program: Provided further, That for investments at Indian reservations and Federal lands, priority shall be given to capital investments, and to projects and activities that can be completed within 2 years of enactment of this Act: Provided further, That 1 year following the enactment of this Act, to ensure the prompt use of the $550,000,000 provided for investments at Indian reservations and Federal lands, the Secretary shall have the authority to redistribute un obligated funds within the respective program for which the funds were appropriated: Provided further, That up to 4 percent of the funding provided for Indian Reservation Roads may be used by the Secretary of the Interior for program management and oversight and project-related administrative expenses: Provided further, That section 134(f)(3)(C)(ii)(II) of title 23, United States Code, shall not apply to funds provided under this heading: Provided further, That of the funds
made available under this heading, $20,000,000 shall be
for highway surface transportation and technology train-
ing under section 140(b) of title 23, United States Code,
and $20,000,000 shall be for disadvantaged business en-
terprises bonding assistance under section 332(e) of title
49, United States Code: Provided further, That funds
made available under this heading shall be administered
as if apportioned under chapter 1 of title 23, United
States Code, except for funds made available for invest-
ments in transportation at Indian reservations and Fed-
eral lands, and for the territorial highway program, which
shall be administered in accordance with chapter 2 of title
23, United States Code, and except for funds made avail-
able for disadvantaged business enterprises bonding as-
sistance, which shall be administered in accordance with
chapter 3 of title 49, United States Code: Provided further,
That the Federal share payable on account of any project
or activity carried out with funds made available under
this heading shall be, at the option of the recipient, up
to 100 percent of the total cost thereof: Provided further,
That funds made available by this Act shall not be obli-
gated for the purposes authorized under section 115(b)
of title 23, United States Code: Provided further, That
funding provided under this heading shall be in addition
to any and all funds provided for fiscal years 2009 and
2010 in any other Act for "Federal-aid Highways" and shall not affect the distribution of funds provided for "Federal-aid Highways" in any other Act: Provided further, That the amount made available under this heading shall not be subject to any limitation on obligations for Federal-aid highways or highway safety construction programs set forth in any Act: Provided further, That section 1101(b) of Public Law 109-59 shall apply to funds apportioned under this heading: Provided further, That the Administrator of the Federal Highway Administration may retain up to $40,000,000 of the funds provided under this heading to fund the oversight by the Administrator of projects and activities carried out with funds made available to the Federal Highway Administration in this Act, and such funds shall be available through September 30, 2012.

**FEDERAL RAILROAD ADMINISTRATION**

**CAPITAL ASSISTANCE FOR HIGH SPEED RAIL CORRIDORS AND INTERCITY PASSENGER RAIL SERVICE**

For an additional amount for section 501 of Public Law 110-432 and discretionary grants to States to pay for the cost of projects described in paragraphs (2)(A) and (2)(B) of section 24401 of title 49, United States Code, subsection (b) of section 24105 of such title, $8,000,000,000, to remain available through September
30, 2012: Provided, That the Secretary of Transportation shall give priority to projects that support the development of intercity high speed rail service: Provided further, That within 60 days of the enactment of this Act, the Secretary shall submit to the House and Senate Committees on Appropriations a strategic plan that describes how the Secretary will use the funding provided under this heading to improve and deploy high speed passenger rail systems: Provided further, That within 120 days of enactment of this Act, the Secretary shall issue interim guidance to applicants covering grant terms, conditions, and procedures until final regulations are issued: Provided further, That such interim guidance shall provide separate instructions for the high speed rail corridor program, capital assistance for intercity passenger rail service grants, and congestion grants: Provided further, That the Secretary shall waive the requirement that a project conducted using funds provided under this heading be in a State rail plan developed under chapter 227 of title 49, United States Code: Provided further, That the Federal share payable of the costs for which a grant is made under this heading shall be, at the option of the recipient, up to 100 percent: Provided further, That projects conducted using funds provided under this heading must comply with the requirements of subchapter IV of chapter 31 of title 40, United States
Code: Provided further, That section 24405 of title 49, United States Code, shall apply to funds provided under this heading: Provided further, That the Administrator of the Federal Railroad Administration may retain up to one-quarter of 1 percent of the funds provided under this heading to fund the award and oversight by the Administrator of grants made under this heading, and funds retained for said purposes shall remain available through September 30, 2014.

CAPITAL GRANTS TO THE NATIONAL RAILROAD PASSENGER CORPORATION

For an additional amount for "Capital and Debt Service Grants to the National Railroad Passenger Corporation" (Amtrak) to enable the Secretary of Transportation to make capital grants to Amtrak as authorized by section 101(e) of the Passenger Rail Investment and Improvement Act of 2008 (Public Law 110–432), $1,300,000,000, to remain available through September 30, 2010, of which $450,000,000 shall be used for capital security grants: Provided, That priority for the use of non-security funds shall be given to projects for the repair, rehabilitation, or upgrade of railroad assets or infrastructure, and for capital projects that expand passenger rail capacity including the rehabilitation of rolling stock: Provided further, That none of the funds under this heading shall be used to subsidize the operating losses of Amtrak:
Provided further, That funds provided under this heading shall be awarded not later than 30 days after the date of enactment of this Act: Provided further, That the Secretary shall take measures to ensure that projects funded under this heading shall be completed within 2 years of enactment of this Act, and shall serve to supplement and not supplant planned expenditures for such activities from other Federal, State, local and corporate sources: Provided further, That the Secretary shall certify to the House and Senate Committees on Appropriations in writing compliance with the preceding proviso: Provided further, That not more than 60 percent of the funds provided for non-security activities under this heading may be used for capital projects along the Northeast Corridor: Provided further, That of the funding provided under this heading, $5,000,000 shall be made available for the Amtrak Office of Inspector General and made available through September 30, 2013.

FEDERAL TRANSIT ADMINISTRATION

TRANSIT CAPITAL ASSISTANCE

For an additional amount for transit capital assistance grants authorized under section 5302(a)(1) of title 49, United States Code, $6,900,000,000, to remain available through September 30, 2010: Provided, That the Secretary of Transportation shall provide 80 percent of the
funds appropriated under this heading for grants under section 5307 of title 49, United States Code, and apportion such funds in accordance with section 5336 of such title (other than subsections (i)(1) and (j)): Provided further, That the Secretary shall apportion 10 percent of the funds appropriated under this heading in accordance with section 5340 of such title: Provided further, That the Secretary shall provide 10 percent of the funds appropriated under this heading for grants under section 5311 of title 49, United States Code, and apportion such funds in accordance with such section: Provided further, That funds apportioned under this heading shall be apportioned not later than 21 days after the date of enactment of this Act: Provided further, That 180 days following the date of such apportionment, the Secretary shall withdraw from each urbanized area or State an amount equal to 50 percent of the funds apportioned to such urbanized areas or States less the amount of funding obligated, and the Secretary shall redistribute such amounts to other urbanized areas or States that have had no funds withdrawn under this proviso utilizing whatever method he deems appropriate to ensure that all funds redistributed under this proviso shall be utilized promptly: Provided further, That 1 year following the date of such apportionment, the Secretary shall withdraw from each urbanized area or State any un-
obligated funds, and the Secretary shall redistribute such
amounts to other urbanized areas or States that have had
no funds withdrawn under this proviso utilizing whatever
method he deems appropriate to ensure that all funds re-
distributed under this proviso shall be utilized promptly:
Provided further, That at the request of an urbanized area
or State, the Secretary of Transportation may provide an
extension of such 1-year period if he feels satisfied that
the urbanized area or State has encountered an unwork-
able bidding environment or other extenuating cir-
cumstances: Provided further, That before granting such
an extension, the Secretary shall send a letter to the
House and Senate Committees on Appropriations that
provides a thorough justification for the extension: Pro-
vided further, That of the funds provided for section 5311
of title 49, United States Code, 2.5 percent shall be made
available for section 5311(c)(1): Provided further, That of
the funding provided under this heading, $100,000,000
shall be distributed as discretionary grants to public tran-
sit agencies for capital investments that will assist in re-
ducing the energy consumption or greenhouse gas emis-
sions of their public transportation systems: Provided fur-
ther, That for such grants on energy-related investments,
priority shall be given to projects based on the total energy
savings that are projected to result from the investment,
and projected energy savings as a percentage of the total energy usage of the public transit agency: Provided further, That applicable chapter 53 requirements shall apply to funding provided under this heading, except that the Federal share of the costs for which any grant is made under this heading shall be, at the option of the recipient, up to 100 percent: Provided further, That the amount made available under this heading shall not be subject to any limitation on obligations for transit programs set forth in any Act: Provided further, That section 1101(b) of Public Law 109–59 shall apply to funds appropriated under this heading: Provided further, That the funds appropriated under this heading shall not be comingled with any prior year funds: Provided further, That notwithstanding any other provision of law, three-quarters of 1 percent of the funds provided for grants under section 5307 and section 5340, and one-half of 1 percent of the funds provided for grants under section 5311, shall be available for administrative expenses and program management oversight, and such funds shall be available through September 30, 2012.

App. 3), to investigate allegations of fraud, including false statements to the Government (18 U.S.C. 1001),
by any person or entity that is subject to regulation by
the Department.

GENERAL PROVISION—DEPARTMENT OF
TRANSPORTATION

SEC. 1201. (a) MAINTENANCE OF EFFORT.—Not
later than 30 days after the date of enactment of this Act,
for each amount that is distributed to a State or agency
thereof from an appropriation in this Act for a covered
program, the Governor of the State shall certify to the
Secretary of Transportation that the State will maintain
its effort with regard to State funding for the types of
projects that are funded by the appropriation. As part of
this certification, the Governor shall submit to the Sec-
retary of Transportation a statement identifying the
amount of funds the State planned to expend from State
sources as of the date of enactment of this Act during
the period beginning on the date of enactment of this Act
through September 30, 2010, for the types of projects that
are funded by the appropriation.

(b) FAILURE TO MAINTAIN EFFORT.—

If a State is unable to maintain the level of
effort certified pursuant to subsection (a), the State
will be prohibited by the Secretary of Transportation
from receiving additional limitation pursuant to the
redistribution of the limitation on obligations for
Federal-aid highway and highway safety construction programs that occurs after August 1 for fiscal year 2011.

(2) The Secretary of Transportation may waive the requirements under paragraph (1) if the Secretary determines that it is impossible for the State to maintain its effort because of extreme conditions beyond the control of the State and that the amount of the State's reduction in its level of effort is reasonable and necessary in light of the extreme conditions: Provided, That the term "extreme conditions" includes, without limitations, unanticipated reductions in State revenues occurring after the adoption of the current State budget due to national, regional, or State economic conditions.

(c) Periodic Reports.—

(1) In general.—Notwithstanding any other provision of law, each grant recipient shall submit to the covered agency from which they received funding periodic reports on the use of the funds appropriated in this Act for covered programs. Such reports shall be collected and compiled by the covered agency and transmitted to Congress.

(2) Contents of reports.—For amounts received under each covered program by a grant re-

recipient under this Act, the grant recipient shall include in the periodic reports information tracking-

(A) the amount of Federal funds appropriated, allocated, obligated, and outlayed under the appropriation;

(B) the number of projects that have been put out to bid under the appropriation and the amount of Federal funds associated with such projects;

(C) the number of projects for which contracts have been awarded under the appropriation and the amount of Federal funds associated with such contracts;

(D) the number of projects for which work has begun under such contracts and the amount of Federal funds associated with such contracts;

(E) the number of projects for which work has been completed under such contracts and the amount of Federal funds associated with such contracts;

(F) the number of direct, on-project jobs created or sustained by the Federal funds provided for projects under the appropriation and, to the extent possible, the estimated indirect
jobs created or sustained in the associated supply industries, including the number of job-years created and the total increase in employment since the date of enactment of this Act; and

(G) for each covered program report information tracking the actual aggregate expenditures by each grant recipient from State sources for projects eligible for funding under the program during the period beginning on the date of enactment of this Act through September 30, 2010, as compared to the level of such expenditures that were planned to occur during such period as of the date of enactment of this Act.

(3) TIMING OF REPORTS.—Each grant recipient shall submit the first of the periodic reports required under this subsection not later than 90 days after the date of enactment of this Act and shall submit updated reports not later than 180 days, 1 year, 2 years, and 3 years after such date of enactment.

(d) DEFINITIONS.—In this section, the following definitions apply:
(1) COVERED AGENCY.—The term "covered agency" means the Office of the Secretary of Transportation, the Federal Aviation Administration, the Federal Highway Administration, the Federal Railroad Administration, the Federal Transit Administration and the Maritime Administration of the Department of Transportation.

(2) COVERED PROGRAM.—The term "covered program" means funds appropriated in this Act for "Supplemental Discretionary Grants for a National Surface Transportation System" to the Office of the Secretary of Transportation, for "Supplemental Funding for Facilities and Equipment" and "Grants-in-Aid for Airports" to the Federal Aviation Administration; for "Highway Infrastructure Investment" to the Federal Highway Administration; for "Capital Assistance for High Speed Rail Corridors and Intercity Passenger Rail Service" and "Capital Grants to the National Railroad Passenger Corporation" to the Federal Railroad Administration; for "Transit Capital Assistance", "Fixed Guideway Infrastructure Investment", and "Capital Investment Grants" to the Federal Transit Administration; and "Supplemental Grants for Assistance to Small Shipyards" to the Maritime Administration.
(3) GRANT RECIPIENT.—The term "grant recipient" means a State or other recipient of assistance provided under a covered program in this Act. Such term does not include a Federal department or agency.

(e) Notwithstanding any other provision of law, sections 3501–3521 of title 44, United States Code, shall not apply to the provisions of this section.
