Goals

Increase LRTP engagement and education

- More appealing/exciting meetings and events
- Use a variety of methods to appeal to different interests/ages
LRTP INTERACTIVE MAP

If your comment is more than 254 characters, please use the comment form at the bottom of the page. Please be sure to include the details from your point on the map so we can associate them during the analysis process. Thank you!

Welcome to the LRTP 2040 Website!

Moving Toward a Sustainable Future

Sustainable Choices 2040 is a long-range transportation plan that guides the evolution of the transportation system in the Champaign County urban area over the next 25 years. This plan strives to use the existing transportation system while planning for economic development and new options for transportation for all users.

Your input is important to the future of the LRTP and Sustainable Choices 2040.

Interactive LRTP Map

CUUATS Maps

Add points to the interactive map and include a description of the CUUATS Map. Points can be saved for future use.

LRTP Interactive Map

Add a Point of Interest

Select a location on the map, enter the name and description of the point of interest, and save.

Interactive Map Options

- Financial stability
Lessons Learned

Collaboration/Acknowledgements

Commitment

- Staff + interns + volunteers
- Time
  - Long hours
  - Evenings + weekends
- Flexibility
- Locations/Agendas
- Willingness to talk to EVERYONE

Video Documentation

Rare opportunity to collect over 1,500 comments from all over the region:

Video enables elected representatives to hear more directly from constituents rather than planners.

Without video, our summaries of public opinion can be dismissed as our own biased interpretation of public opinion.

Budget

- IDOT: $75,000
- Local Match: $18,750
- Total: $93,750

- Staff Time = $60,000
- $55 evenings, weekends
- $ normal business hours

- Materials = $33,750
- $5 bus ($10,000 + maint. & fuel)
- $ Information table
- $5 Laptops + generator ($2,200)
- $ Paper survey or $6 Tablets
- $5 Newspaper + Bus Ads ($6,000)
- $ Social Media, Local TV & Radio

Public Evaluation
Collaboration/
Acknowledgements

Member Agencies + Park Districts:
- Access to public events/facilities
- Promotion on municipal websites
- Attendance at events

C-U MTD:
- Bus Retrofit: electricity, storage, seat removal
- Drivers
- Vehicle maintenance and storage
- Promotion on social media
