Planning Officials  
Baltimore, Maryland  
October 25, 2019**

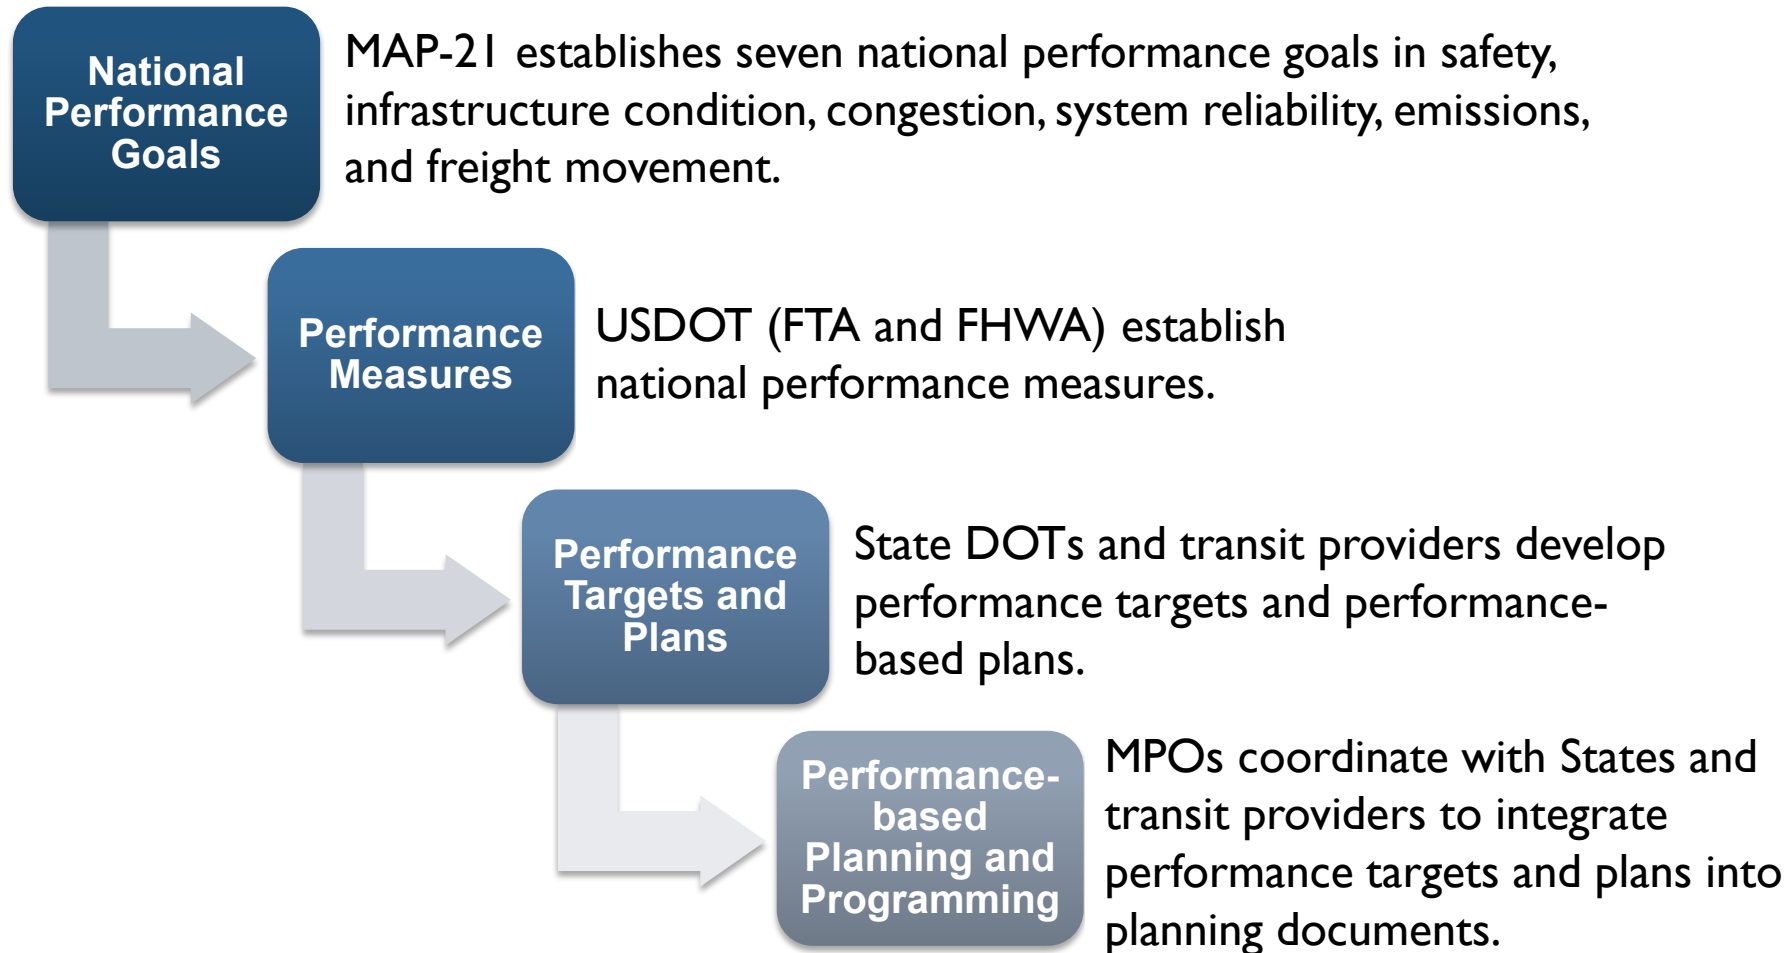

U.S. Department of Transportation  
Federal Transit Administration

# Performance Management Requirements

- MAP-21 and the FAST Act require USDOT, States, Metropolitan Planning Organizations (MPOs) and public transportation providers to implement a performance management approach for Federally-supported highways and transit.
- Why?
  - Prioritize needs
  - Align resources to optimize system performance, collaboratively
  - Increase accountability and transparency

# MAP-21 Performance Management Framework

# Relevant Statutory Provisions, Rules and Guidance – FTA

## Title 49 of the United States Code

§134 §135	Statewide & Metro Planning, Non-Metro Planning	<ul style="list-style-type: none"><li>• Define Coordination for Target Selection, Planning and Programming</li></ul>
